Dimension: height 85 cm, length 35 cm, depth 35 cm. **Capacity 100 L**

Description: bin for waste separation with drum and base in 1mm thick sheet-steel powder-coated in silver grey, black or mat white colour, rounded accident-proof edges, the base has a foam profile to protect the floor. Upper lid with central hole to dispose of waste, made entirely in powder-coated steel, available in grey, white, black, red, green, yellow or blue. The lid is hinged to the drum by screws and can be lifted to allow the access to the drum to insert the bin liner. Bin liner holder in steel hinged to the drum by screws to easily insert, hook and remove the bin liner.

Accessories: pocket display code 236
adhesive labels codes 379, 80326, 324, 325, 326, 327, 328, 329, 330
