

PRINT ECOSUND MIT HOLZRAHMEN

Print with wooden frame is sound-absorbing art where the image motif is printed on a canvas that is laminated on our sound-absorbing core material EcoSUND. An easy measure that creates a personal atmosphere and improves the sound environment. The wooden frames are available in two colors oak or walnut and two sizes 1200x1200/1200x1600. Our print can also be made with a metal frame, a print with a straight cut edge or a print with a hidden frame.
