

## NEO LITE SOFT

Neo Lite Soft is a creative take on Neo Lite. As the name suggests, Neo Lite Soft provides softer seating. The fabric is sewn in a, for the product, specially designed quilted pattern that gives character and a unique expression. The chair, with or without armrests, is ideal for longer periods of sitting comfortably in for example offices, hotels, meeting rooms, cafés and restaurants. The possibilities and appearance of this chair are many, as it is available with a 4-legged frame, a sled base, a 4-spoke frame and a 5-spoke height-adjustable swivel base in chrome, silver grey or Colours by Materia (CbM\*) powder coating, as well as an solid FSC®-labelled wooden frame in white pigmented, white or black stained ash or clear lacquered walnut.

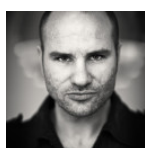

\*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black, white
