

VAGABOND SCREEN

Vagabond Screen is a project and meeting table which combines form with function. It fits well into for example office environments, schools and conference venues. Mounting brackets can be hung onto the table end to enable simple fitting of a screen. A whiteboard or accessory boxes can be mounted on the opposite side to conceal the back of the screen. The table top is available in white pigmented ash, clear lacquered oak and white HPL laminate, height 730 or 900 mm. Power is available as an optional extra, including a socket under the table top for the screen, an electric box in the table top with three electrical sockets plus two USB, one HDMI and one network socket. Frame, mounting brackets, accessory box and hooks in CbM* powder coating.

*CbM = beige, mustard yellow, dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black and white
